# WELCOME TO OUR COLLEGE

At Kashibai Ganpat Nursing College, we believe in creating a safe, inclusive, and encouraging learning environment where every student is motivated to explore, question, and grow without fear of failure. We encourage our students to challenge themselves, develop critical thinking, and cultivate resilience and empathy—qualities that are essential in the noble profession of nursing.

# ABOUT OUR COLLEGE

Kashibai Ganpat Nursing College (KGNC), established in 2021, is dedicated to providing quality nursing education in a peaceful and modern campus at Chakme (Thakurgaon), Burmu, Ranchi. Affiliated with Indian Nursing Council (INC) & Jharkhand Nurses Registration Council (JNRC), the college offers ANM, GNM, and B.Sc. Nursing programmes designed to develop skilled, confident, and compassionate healthcare professionals.

With experienced faculty, advanced laboratories, and clinical training at leading hospitals in Ranchi, KGNC ensures that every student gains strong academic knowledge and hands-on practical experience.

We take pride in fostering a safe, inclusive, and supportive learning environment where students grow into responsible and ethical nurses ready to serve society with care and competence.

Kashibai Ganpat Nursing College  
where knowledge meets compassion.
